# GTR NORDICS 2024 STOCKHOLM

Following a record-breaking attendance of over 580 delegates at the 15th anniversary of GTR Nordics in 2023, the region's leading annual gathering will return to Stockholm in November to once again assess the latest challenges faced by the region's trading entities and their financing partners.

The conference will provide unmissable insights on the key opportunities, challenges and financing innovations impacting Nordic trade, exports and supply chains, featuring a speaker roster of over 50 industry leaders.

Bringing together corporates, financiers, risk management experts, government and development agencies as well as tech innovators from across the trade, export and supply chain financing ecosystem, the 2024 edition will provide unrivalled networking opportunities throughout the day.

We look forward to welcoming you to GTR Nordics 2024 in Stockholm!

**"GTR Nordics still is *the* trade finance event in the Nordic region."**

G Ohrás, Hitachi Energy
